1ft & 2ft NO-CLIMB Accessory Panels:

If your location requires 7' or 8' heights, we now have a solution for you.

Our No-Climb optional panels can give you an extra 1-2 feet of height, either to meet the demands of your project or application, or to meet specifications on fence height in your Municipality or City.

NO-CLIMB ONLY AVAILABLE FOR 7 ½' LONG PANELS

Either panel height comes with 2 connectors and 1 clamp
For securing to fence panel.

Asset Protection Accessories:

If you would like additional Height, or your city requires a higher profile fence Line, our NO-Climb panels may be just the option you need.

No-Climb Panel color is YELLOW only

Note: No-climb panels must be removed to store fence panels in the original pallet.
